Barlow's Indigo Blue

THE TRIED AND TRUE
WASH BLUE OF AMERICA

IT IS over fifty years since this article was discovered and introduced to the public for blueing clothes. Many attempts have been made to imitate it, but none have succeeded to equal it in quality. It is the purest and strongest, will not spot or streak the clothes, nor injure the finest fabric. Few articles have the endorsement of the public for half a century unless the quality merits it. This endorsement Barlow's Indigo Blue has well earned, making it the standard blueing throughout the country.

Trade mark is registered and we caution the trade against handling goods imitating style and appearance

FOREWORD

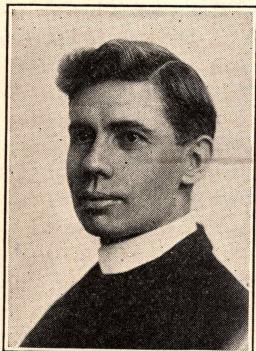

The ALMANAC AND YEAR BOOK of the Reformed Church in the United States, which is welcomed annually in more homes of our denomination than any other of its regular publications, has for many years aimed to provide a brief record of the outstanding events and personalities, as well as the statistical information of most value to the families of our Church. In the present volume we seek to give in helpful form an account of the most significant activities and events in our denominational life during the year 1923. The issue succeeding the triennial sessions of our highest ecclesiastical judiciary is always of especial interest and importance; it is proper, therefore, that the meeting of General Synod, held in Corinth Church, Hickory, N. C., in May, 1923, should be central in the 1924 YEAR BOOK. It has been generally agreed that this was a great Synod, and the wonderful hospitality of the Southland, which will ever be gratefully remembered, was matched by the warm-hearted, generous and enthusiastic spirit manifested by ministers and elders in transacting the business of the Kingdom.

Among the more important actions of General Synod, we note the following: 1. The excellent Order of Worship, prepared with such commendable unanimity by the Liturgical Commission, was adopted as a Provisional Liturgy and commended for use in the Churches, and the Commission was continued to formulate such further improvements as the wisdom of experience may suggest. 2. A new Board of Christian Education was constituted, consisting of 15 members, with 3 advisory members from the Women's Missionary Society. 3. An Efficiency Commission was appointed with instructions to make a thorough study not only of the organization of the General Synod itself, and of the work of the Church as a whole, but of the operation of all its Boards and agencies, with a view of securing greater efficiency and economy; also suggesting possible courses of united action and co-ordinating the programs of the Boards. The Commission is composed of J. C. Leonard, Charles B. Alspach, W. A. Schnader, Esq., J. M. S. Isenberg, Charles E. Creitz, John W. Appel, Esq., Frederick J. Knaus, Esq., Emory L. Coblenz, Esq., E. G. Krampe, J. H. Mickley, and H. H. Ranck. 4. The method of raising the Apportionment for Home and Foreign Missions was changed, and the difference between the total budgets (\$476,000 for Home and \$517,688.50 for Foreign Missions) and the minimum of \$1.00 per capita assessed on the communicant membership, is to be raised by the Classes according to the ability and willingness of

the congregations (the *ability* being determined by the amount spent for congregational purposes over a period of three years, and the *willingness* being measured by the amount given for benevolence). 5. The Forward Movement again received unanimous and enthusiastic endorsement. 6. A Commission was appointed to study the problem of the representation of women on ecclesiastical judicatories, and also the status of a minister who continues in secular work, to report its findings in 1926. The Commission consists of T. F. Herman, H. C. Nott, C. B. Wetzel, F. C. Seitz, E. L. Coblenz, R. J. Harrity and B. S. Stern. 6. The Federal Council of the Churches of Christ in America was again most heartily commended, \$4,000 per annum voted for its work, and the following representatives of our Church chosen: Charles E. Schaeffer, Rufus W. Miller, J. M. G. Darms, H. J. Christman, Paul S. Leinbach, and Emory L. Coblenz. 7. The Historical Society located at Lancaster, Pa., was made the official Historical Society of General Synod, and a committee appointed to revise its Constitution to meet the requirements of Synod. 8. The American Bible Society was endorsed and \$5,000 per annum appointed for its work. 9. The Near East Relief again received hearty endorsement and congregations and Sunday Schools were urged to make annual liberal contributions for the needy orphans and refugees. Relief work in Europe was also commended to the generosity of our people. 10. The importance of our work among the Hungarians in America was duly emphasized, with its strategic opportunity for a great service. 11. The promotion of the cause of Temperance was committed to the Publication and Sunday School Board. 12. The union ratified by Ohio and Central Synods was ordered to be effected September 28, in Trinity Church, Canton, Ohio, the combined Synods to be known as Ohio Synod. 13. A seal and escutcheon were adopted, containing the symbols of the burning bush and the lily among the thorns. 14. A number of valuable improvements were made in the statistical blanks. 15. The erection and completion of the Schaff Building was recognized as marking a distinct epoch in the onward march of the Reformed Church, and a rising vote of appreciation of the preeminent and sacrificial services of Secretary Rufus W. Miller was given by Synod. 16. Generous recognition was given to the devoted ministry of the Boards and agencies of General Synod, and deepening allegiance to all the causes of the Church was earnestly pledged.

that 1923 might be made memorable in our denomination for *much prayer, renewed study of the Word of God, and united plans in evangelism and social service*; and it was urged that we cannot be the instruments in God's hands for the accomplishment of His purpose unless first of all *our own hearts and homes are more truly spiritualized*. Facing the tasks that lie ahead, we cannot do better than to repeat this hope and admonition for 1924. God has dealt very graciously with our beloved Zion. We have seen during the last few years a growing unity of spirit and aim and a holy zeal for the work of the Kingdom that has manifested itself in various ways—a notable example being the largest and most enthusiastic gathering of laymen to study Kingdom problems that has ever assembled in the history of our denomination.

The ever-growing activity of our devoted women is

a constant challenge and inspiration to all who know of their far-reaching work and the fine way in which it is done. The W. M. S. G. S., which met in triennial sessions in Central Church, Dayton, Ohio, last May, wisely reelected its efficient staff of officers and set a pace in achievement and aspiration which is a tonic to the whole denomination. The rapidly spreading conviction of the prime importance of religious education, and the evidences of fidelity in meeting the obligations involved, give us new cause for hopefulness concerning the future of the Reformed Church. The handicaps are many, the workers are all too few, but it has been truly said that "our civilization cannot survive materially unless it be redeemed spiritually," and only by utter loyalty to Christ and His Church can we make our lives a real blessing to mankind.

THE FORWARD MOVEMENT

Three and a half years of the Forward Movement are a thing of history. Has the work been worth while? Certainly. Today the Reformed Church, because of the Forward Movement, is prepared to do a larger and a more efficient work for the Kingdom. Congregations and individuals that cooperated in this work have experienced untold blessings. They have in a measure tested their spiritual and financial ability.

All the Boards and Institutions have been greatly aided and strengthened. They are in a position to do more effective work than ever before.

There may be danger that we congratulate ourselves too much on what we have done as a denomination. Fine and great as the results have been, we have not nearly paid all we promised to pay. On June 30, 1923, 60 per cent of the amount subscribed should have been in the treasury of the Forward Movement. When the canvass was made we promised to pay one-fifth of our pledge annually. According to this 3/5 or 60 per cent of the amount subscribed should have been paid or a total of \$3,840,000, whereas the receipts to that date were \$2,341,852.62. From this it appears that we owed to the various causes in the budget \$1,498,147.38.

Pay-Up Quarter

Because of this large deficit, the quarter from October to December, 1922, was designated as "Pay-Up Quarter." An effort was made through posters, addresses, lantern slides, etc., to have the congregations pay at least one-half of their subscriptions. This campaign brought some good results. Many congrega-

tions made a systematic canvass through their Forward Movement committee to collect the money.

On January 1, 1923, there were 125 congregations that had paid 50 per cent of their subscriptions. Some of these congregations borrowed some money, so as to pay in full. Instead of the Boards assuming the debt, they assumed it. A number of congregations have assured the commission that if at the end of the five-year period they have not paid in full, they will borrow the money so as to pay all they subscribed. They consider it a sacred obligation. One hundred congregations are paid up all the time. In this list of one hundred are included rural and city congregations.

The Cooperative Campaign

The general every-member canvass for the common budget in 1920 was not a 100 per cent success. There is still a balance of approximately \$4,000,000 to be subscribed. Knowing that the various causes in the budget need the full amount asked for, the Forward Movement Commission approved and adopted a Special Cooperative Campaign for larger gifts. The plan of this campaign is, first, to enlist those who have not yet taken their part in the Forward Movement, and second, by a special effort on the part of the Boards of the various causes to secure larger gifts for designated objects.

The Boards of the various causes have expressed their willingness to cooperate in this phase of the financial campaign and the commission has appointed a committee of fifteen men to direct it.

The receipts through this campaign to June 30, 1923, were \$121,771.71 in cash. In addition to this amount a number of very substantial subscriptions have been made to the various causes.

The Year 1924

There are some who have failed to start paying on their subscriptions, others may have made a payment and then stopped. Why not pay up in 1924? Make this entire year a "Pay-Up Year." There is no time like the present in which to work. We have begun a great task, surely we will not leave it only half finished. Let us make 1924 the banner year for the Forward Movement.

THE UNITED MISSIONARY AND STEWARDSHIP COMMITTEE

The United Missionary and Stewardship Committee, constituted by the General Synod in 1914 to coordinate the work of its four Boards and serve as a promotional agency, was commended by the General Synod of 1923 for its faithful endeavor and efficient work, and was recognized as a most important factor in the benevolent work and life of the Church at large. The General Synod showed its confidence in the Committee by enlarging its membership and its duties. The functions of the Committee for the next triennium are the promotion of Christian Stewardship, church finance, the Every-Member Canvass, the coordination of the work of the Boards, the reception of their Budgets and submitting them to the next General Synod with recommendations, assisting in the working out of the methods of Apportionment adopted by the General Synod, holding conferences, etc., and serving as a general promotional agency for the work of the Boards. It is also to assist in the preparation of the docket and Blue Book for the next meeting of General Synod.

The Budgets of the four Boards for the new triennium met the approval of the General Synod and were

adopted. There is a very substantial increase in the amounts for Home Missions and Foreign Missions, due largely to the fact that the work of these two Boards had greatly increased during the nine years while the Apportionment remained stationary. The amounts are nearly double what they were for some years. A new method of Apportionment was adopted which includes the elements of ability and willingness and will help our people who are now recognizing their Christian Stewardship to raise the larger amounts. A conference of all of the Classical Missionary and Stewardship Committees was held at Harrisburg, Pa., on September 6th and 7th. At that conference the new Apportionments for the Classes were worked out and adopted, and plans made for raising the full amounts of the new Budgets.

The year 1923 was one of great activity on the part of the United Missionary and Stewardship Committee. It assisted in the preparation of the business program of the General Synod and the publication of the Blue Book. It kept in constant and close touch with the Classical Missionary and Stewardship Committees and

helped them to cooperate with each other and with the congregations of the Classes. Conferences were held in connection with Classical and Synodical meetings and on other occasions.

The Classical Committees have been more active and successful in their work than ever before. They have cooperated with their congregations, with each other, and with General Synod's Committee to a very high degree. They have worked aggressively and with determination to help the Church raise the full Apportionment. Many of the Classical Committees held conferences, or assisted at special meetings of their Classes, visited the weak congregations and issued monthly or quarterly statements and messages of encouragement to the congregations. The action of the General Synod of 1923 makes the work of the Classical Committee more important than ever before in that it makes the Classical Committee responsible for working out and presenting to the Classis the Apportionments of the congregations for the work of the General Synod.

In the Classical year that ended in May, 1923, 80 per cent was paid on the Apportionment for Home Missions and Foreign Missions, 74 per cent for Ministerial Relief, and 75 per cent for Publication and Sunday School work. The percentage for the Mission Boards was larger than ever before and showed an increase of \$16,000 over the amounts received the previous year. Twelve Classes paid 100 per cent or more of their missionary Apportionments. Heidelberg Classis was the first of the so-called German Classes to pay its Apportionment in full. Besides these twelve Classes, one Classis paid over 100 per cent for Home Mis-

sions and another one over 100 per cent for Foreign Missions.

It was a year of unusual activity in the promotion of Christian Stewardship. The Committee conducted a very successful Sunday School Stewardship Essay Contest for which hundreds of young people wrote excellent papers. The Classical Committees acted as judges for their Classes and many of them did effective work in interesting Sunday School scholars in the contest and in imparting to them the principles of Stewardship. The Essay Contest is to be repeated in the spring of 1924.

The Committee has recognized the necessity of placing greater emphasis on the Annual Every-Member Canvass. New literature is being prepared for the use of those in charge of the Canvass, and also for the members of the Church regarding its general benevolent work.

General Synod has its United Missionary and Stewardship Committee, every Classis in the Church, except a few in the distant Northwest, has its Classical Missionary and Stewardship Committee, and in four of the Synods there are Synodical Missionary and Stewardship Committees. The good work being done by all of these is generally recognized. There is work to do and the responsibility is located by placing it upon active efficient workers. Congregational Missionary and Stewardship Committees are active in some of our best congregations, but many congregations have not yet recognized the importance and value of the work of such a committee. If one can be appointed and set to work in every one of our congregations during 1924, our denominational missionary and benevolent work will go forward by leaps and bounds.

HOME MISSIONS

The Board of Home Missions is composed of twelve members who are elected for six years. At each meeting of the General Synod the terms of half the number expire and their successors are elected. At the meeting of the General Synod in Hickory, N. C., last May, the following were elected: Rev. C. B. Schneider, D.D., Elder Emory L. Coblenz, Elder E. J. Titlow, Rev. Henry Nevin Kerst, D.D., Rev. F. C. Seitz, D.D., Rev. Josias Friedli. The Board now consists of the following: Rev. C. E. Miller, D.D., LL.D., Rev. I. Calvin Fisher, D.D., Rev. J. C. Leonard, D.D., Rev. John Sommerlatte, Rev. F. C. Seitz, D.D., Rev.

Henry Nevin Kerst, D.D., Rev. C. B. Schneider, D.D., Elder F. C. Brunhouse, Elder Emory L. Coblenz, Elder D. J. Snyder, Elder E. J. Titlow. At the annual meeting of the Board in July it was reorganized as follows:

Vice President.....	Rev. C. B. Schneider, D.D.

The Executive Committee was appointed as follows: Rev. C. E. Miller, D.D., LL.D.; Rev. C. B. Schneder, D.D.; Rev. F. C. Seitz, D.D.; Rev. I. Calvin Fisher, D.D.; Elder F. C. Brunhouse. The General Secretary and the Departmental Superintendents are elected for a term of three years. The following were reelected at the July meeting:

General Secretary..... Rev. C. E. Schaeffer, D.D.
Superintendent of Department of the East,

Rev. J. M. Mullan.
Superintendent of Department of the West,

Rev. J. C. Horning, D.D.
Superintendent of Department of the Pacific Coast,

Rev. E. F. Enevemyer.
Superintendent of Church-building Department,

Elder J. S. Wise.
Superintendent of Immigrant Department,

Rev. D. A. Souders, D.D.

Dr. C. E. Schaeffer and Elder E. L. Coblenz were appointed as representatives of the Board on the United Missionary and Stewardship Committee. The Finance Committee consists of Elders F. C. Brunhouse, E. J. Titlow and E. L. Coblenz. Dr. C. E. Schaeffer, Dr. J. C. Leonard and Elder E. L. Coblenz were appointed

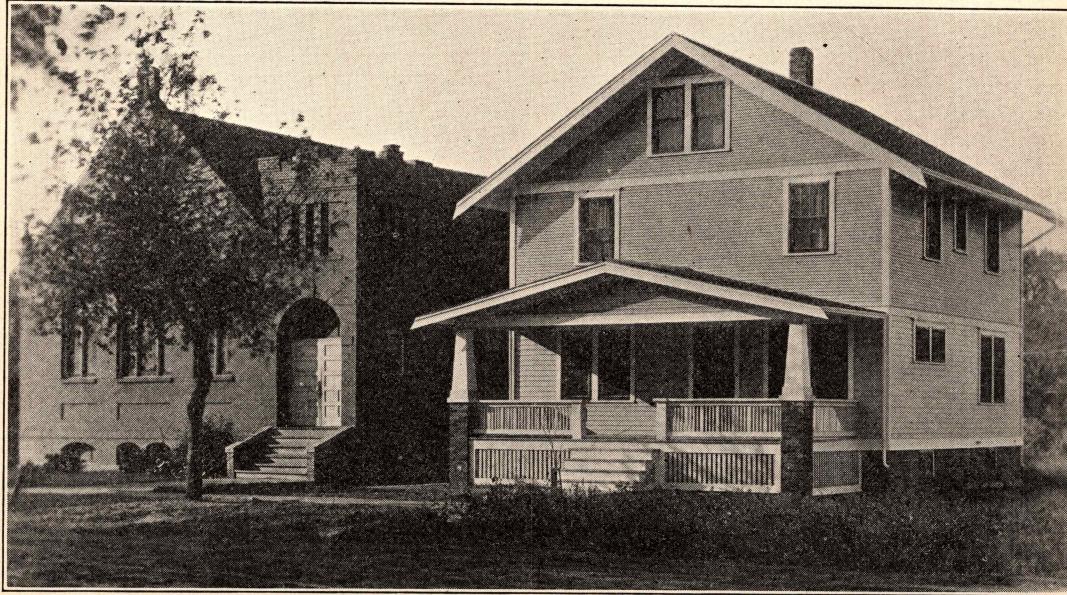

as a special Committee to advise with the Board of Trustees of Catawba College.

The appropriations to the Missions are made annually. There are now 200 Missions on the Roll, which receive appropriations annually to the amount of \$186,200. This money is supplied by the Church through the Apportionment. None of the Church-building Fund money nor of the Forward Movement money goes to the payment of salaries for the Missionaries or the general officers. At the last meeting of the General Synod the Board presented an annual Budget of \$476,000. This would provide for all phases and departments of the work except that of Church building.

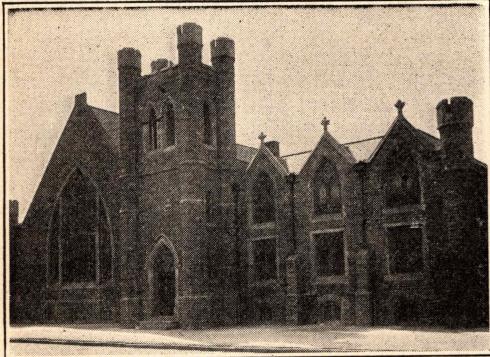

* * * * *

The Church-building Department concerns itself with the erection of Mission Churches, the purchase of ground, the building of parsonages. This money is supplied through Church-building Funds of \$500 and over, which are usually contributed by friends of the cause in the form of Memorials, and also through the amounts that come to the Board through the Forward Movement. There are almost 900 Church-building Funds on our list, aggregating a total of \$598,851.31.

All this money has enabled the Board to help its Missions in the erection of suitable church buildings and thus put them into a position where they are able to fulfill their purpose in the communities in which they are located.

The following churches were built during the past year: Olivet, Philadelphia, Pa.; Trinity, Buffalo, N. Y.; Third, Greensburg, Pa.; Dexter Boulevard, Detroit, Mich.; Emanuel, Allentown, Pa.; Heidelberg, Dayton, Ohio; Grace, Canton, O. In a number of other instances new buildings are an urgent necessity. The Forward Movement will make most of these possible in due time.

The Immigrant Department looks after the foreign-speaking people in this country and concerns itself principally with the Hungarians and Bohemians. There are 52 Hungarian congregations in the Reformed Church, representing a total membership of about 10,000, with 30,000 adherents. During the year a splendid piece of educational work was done for the Hungarians. The Board supported Prof. Alex. Toth in our institutions at Lancaster, Pa., who gathered around himself twelve Hungarian students in the Academy, Franklin and Marshall College and the Theological Seminary. This work is supported through the liberality of friends of the cause and by a fund raised by Prof. Toth himself in some of our Hungarian congregations. Rev. John Azary of Dayton, Ohio, is also giving part time to teaching Hungarian students for the ministry in the Central Theological Seminary at Dayton, Ohio.

The Board is continuing its Harbor Missionary in the person of Rev. Paul H. Land, Ph.D., who is at present giving most of his time to the accommodation of travelers to and from Europe in the Hospice, at 107 E. 34th Street, New York City.

Our Japanese work is in charge of the Department of the Pacific Coast. The outstanding feature of this work is the erection of an educational building in San Francisco, which is being financed by the Woman's Missionary Society of General Synod. The building

In these different phases of work a large force of Deaconesses are employed who are rendering valuable services as pastors' assistants, social workers and helpers in every department of Church life. The Deaconesses are supported by the Woman's Missionary Society of General Synod.

The work of Home Missions in the German-English Synods is carried forward by the so-called Tri-Synodic Board, of which Dr. T. P. Bolliger is the General Secretary. This Board has a great Mission field reaching up into Canada and into the north western section of our country. It also includes the work among the Indians at Black River Falls, and Niellsville, Wisconsin.

The General Synod committed to the Board of Home Missions the work of Evangelism and Social Service and rural work. These phases are carried forward by special Commissions. The Commission on Spiritual

Resources and Evangelism consists of the following: Rev. E. S. Bromer, D.D.; Rev. H. J. Christman, D.D.; Rev. Adolph Krampe; Rev. F. A. Rupley, D.D.; Rev. George Longaker; Rev. Harvey A. Fesperman; Mrs. E. W. Lentz. This Commission also functions as the Department of Spiritual Resources and Evangelism of the Forward Movement. Two full-time Evangelists are employed, namely, Rev. R. C. Zartman, D.D., in the Eastern Synod, and Rev. Ernest N. Evans in the Pittsburgh Synod.

The Commission on Social Service and Rural Work is composed of the following: Rev. George W. Richards, D.D., LL.D.; Rev. David Dunn; Rev. C. J. Snyder; Rev. John Sommerlatte; Rev. Paul D. Yoder; Rev. C. W. Brugh; Miss Ruth Gillan. Rev. James M. Mullan is the Executive Secretary in addition to his duties as Superintendent of the Department of the East. Mr. Ralph S. Adams is continued as Rural Church Field Worker.

FOREIGN MISSIONS

Our Church in the year 1924 faces the most appealing outlook in all our missionary history. The Lord is blessing the labors of our missionaries as never before. The work is growing. The advance made in every department of the work should call forth special thanksgiving from every heart. Our Church is beginning to take her place among the more aggressive denominations which are not doing less for the work at home but more for the work abroad.

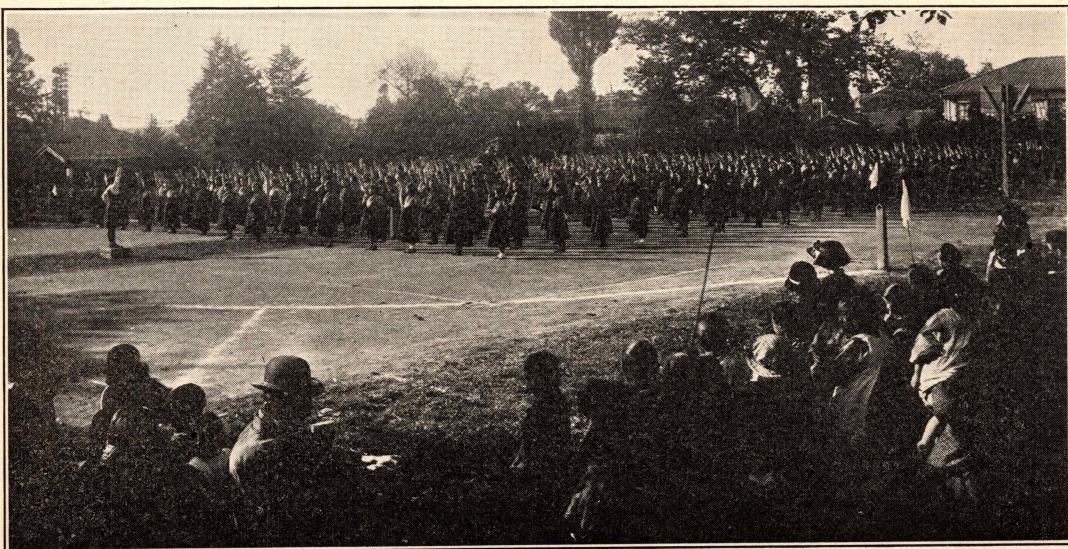

The Japan Mission was organized 45 years ago, and the China Mission 25 years ago. In both lands the work was begun with a single missionary and without a building for evangelistic, school or hospital work. To-day we have in Japan 53 foreign and 190 native workers, and in China 50 foreign and 145 native workers. Our Missions conduct every phase of Christian work that is being carried on in the homeland. There is a property valuation of over \$1,000,000. No one can estimate the number of souls won for Christ.

Our Church has been invited to join with the Presbyterian Church in the U. S. A. and the Reformed Church in America in planting a Union Mission in

Mesopotamia. In that ancient land is the cradle of the human race. There are the cross-roads of the nations. Is there a more inviting field? Can there be a more inspiring task? Our first missionaries will most likely be located in Baghdad.

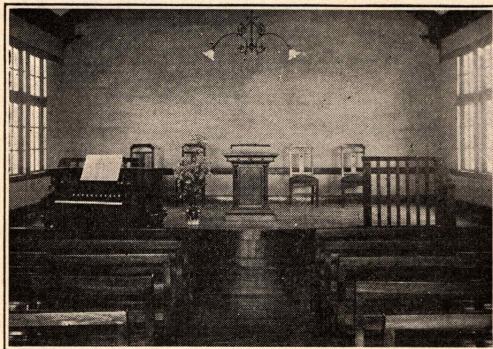

ANNUAL FIELD MEET, MIYAGI GIRLS' SCHOOL, SENDAI, JAPAN

The past year has testified anew to the value of the Forward Movement in advancing our work in the Foreign Field. The Board appropriated \$70,000 towards the new Middle School Building of North Japan College. The erection of the Eastview Boys' School at Shenchowfu, the building of chapels, missionary residences and the sending of new missionaries to Japan and China were also made possible.

To carry on the work in Japan and China the Board will need at least \$515,000 during the year 1924. If this income could be received in proportionate monthly amounts it would save many dollars in interest charges.

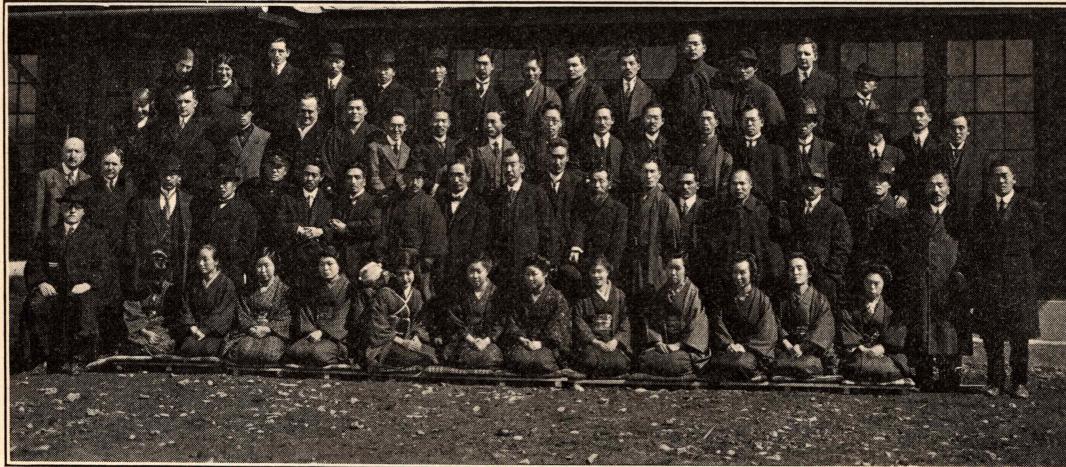

NEW CHURCH AT YONEZAWA, JAPAN

CHAPEL ROOM, YONEZAWA CHURCH, JAPAN

The Standing Committee on Foreign Missions at the General Synod was glad to note the careful economy practiced by the administration of the funds of the Board. While the business has steadily increased for years the secretarial force remains the same. The total home expenses amount to about 11 per cent; the purely administrative items do not exceed 5 per cent.

A most pathetic appeal comes to us from the Protestants in Europe who are still suffering from the ravages of the Great War. They plead for never-ceasing prayer and for material help so that they may keep up their orphanages and other benevolent institutions.

THE MISSION SCHOOL FOR BOYS AT HSIN CHIANG, CHINA

The Board of Foreign Missions welcomes gifts from individuals, Sunday Schools and Churches, toward the support of Native Evangelists, Teachers and Bible Women in Japan and China. The salaries range from \$100 to \$800 per year.

On June 23, 1923, the China Mission lost two of its promising young missionaries, T. Edmund Winter and James A. Laubach, by drowning, in Tung Ting Lake. The sympathies of the Church are with the bereaved families and the members of our Mission.

Two important events in Huping Christian College during 1923 were the Incorporation of the Institution and its Twentieth Anniversary. The President is Rev. William E. Hoy, D.D., of Yochow City, Hunan, China. The Board of Trustees consists of six members of the Board of Foreign Missions and five residents of Washington, D. C. They are as follows: President, James P. Schick, Esq.; Vice-President, Rev. James D. Buhrer, Ph.D.; Secretary, Rev. Allen R. Bartholomew, D.D.;

Foreign Mission Day, February 10, 1924, is a most fitting time for members to offer special gifts for needy objects in our Missions in Japan and China. Every Congregation and Sunday School should use the excellent service issued by the Board.

The Board gratefully acknowledges a number of large bequests during the past year. Among them, \$10,000 from Miss Mary E. Santee of Philadelphia, and \$6,000 and a farm from Joseph C. Messinger of Mt. Bethel, Pennsylvania.

PUBLICATION AND SUNDAY SCHOOL BOARD

EVENTS OF THE YEAR

The outstanding event of the year was the completion of the Schaff Building.

The leading educational fact facing the Publication and Sunday School Board is the realization that standards of the church school have been pushed up to the level of the public school as to courses of study, the training of teachers, administration and equipment.

The Children's Christian Education Foundation of \$100,000 is the practical effort suggested to the church to help secure the necessary funds immediately needed to finance the new and enlarged program of the Board in order to help the local church in this important work.

During the year the work of the Young People's Department and of the Young People's Division of Sunday School were unified and placed under the supervision of the Young People's Department, Miss Catherine A. Miller, secretary.

Cedar Crest Summer School of Religious Education

marks the beginning of a system of training schools throughout the church intended to provide the higher type of leaders the church school requires.

Summer Schools of Religious Education experienced a phenomenal increase during the year.

Winter Week Day Religious Schools are beginning to multiply. Much experimentation will be necessary before a satisfactory program of lesson courses and general administration will have been reached. But the experimentation is necessary, and every bit undertaken by pastors and superintendents contributes to the cause.

The Board is reorganizing its work so that systematic visitation of our Sunday Schools may be made and leadership institutes be held throughout the church.

The Church School Hymnal has had a remarkable reception. The first edition of 25 thousand copies is exhausted and the second edition has appeared. Many encouraging testimonials have been received from leading specialists on worship. Schools are reporting

THE CALVARY GIRLS' CLASS, TURTLE CREEK, PA.

that the book is proving to be a worthy successor to the former Sunday School Hymnal that found such general favor.

WEEKDAY RELIGIOUS EDUCATION

There is no fundamental difference between weekday and Sunday religious training since the same principles and motives must underlie all valid Christian character building. It is only for the purpose of supplementing in a systematic way the Sunday School work that special attention is given to utilizing regular weekday periods to develop the spiritual life of boys and girls ranging from the Kindergarten age into the High School. The two distinct forms of weekday training offered to boys and girls are usually termed the Church Vacation Day School and the Winter Religious Day School. Both types of weekday religious training are very popular and profitable in whatever community they may be offered.

The Church Vacation Day School

It is apparent from the name that this particular form of religious training is offered during the Vacation

period of boys and girls. The school is in session during the forenoon portion of every day in the week, excepting Saturdays and Sundays, for a period of from four to five weeks. Because it is vacation time the attempt is seldom made to place textbooks into the hands of those attending these summer schools. In fact, the real

spiritual benefit of this summer work with young people is effected largely through constant contact between pastor, teachers and pupils for two and one-half hours on consecutive days of the week. It is for this reason that religious leaders regard these summer programs as a system of education through *association* or *fellowship* rather than as strictly formal summer schools similar to some of our secular schools of today.

The young people are very enthusiastic over these so-called vacation schools. A definite program is followed each day which may vary very considerably from the program of the preceding day. Pastors find these vacation schools an unexcelled opportunity for becoming vitally associated with the boys and girls of their parish and community. We do not recommend that pastors should be responsible for the major part of the work of these summer schools. A small staff of teachers who have especially qualified for this work can usually be secured for this brief summer period at little expense. Naturally, pastors always covet the opportunity of being definitely identified with these popular and excellent schools for intensive training because of their interest in the welfare of boys and girls.

The Winter Religious Day School

The Church Vacation School not only utilizes to the best advantage the idle time of boys and girls during a part of the summer period but it also creates a desire on the part of parents for similar training during the winter months. It is evident to all that far too little religious training is offered through the Sunday School of today. In fact, the Sunday School by utilizing only the time available on Sunday is limited, in many respects, in supplying an adequate program of religious education for the development of Christian character. Now that the Church Vacation Schools have unquestionably demonstrated the significance of having trained and responsible leaders make frequent contacts with children during the week, there is abundant reason why similar instructors should, likewise, meet with these children for at least two periods of the week during the winter months. This movement for Winter Religious Day Schools, either after Public School periods or on Public School time, preferably the latter, was pushed vigorously by progressive religious leaders during the last decade. Consequently, today the Winter Religious Day School is becoming just as popular as the Vacation School project. Almost in

D. V. B. S. KINDERGARTEN DEPARTMENT, ST. PETER'S CHURCH, LANCASTER, PA., REV. R. J. PILGRAM, PASTOR

every community where there is found a progressive ministry there is also being sponsored this form of religious training. Usually a ten- or twelve-week experiment is made, either in the fall or spring of the year, for the purpose of popularizing the worthwhileness of the Winter Religious Day School. Undoubtedly the Abingdon textbooks are at present the most practical and satisfactory for this latter type of training. Write to the Publication and Sunday School Board, Philadelphia for additional information and literature on this fundamental and comprehensive program of Religious Education.

INSTITUTES AND SUMMER SCHOOLS

From all sides we hear the plaintive cry, "Where can we get trained teachers for Sunday and Weekday Religious Schools?" This pathetic note need not be heralded any longer from the housetops in Zion. Not only has the Teacher Training Work for the local Church been strenuously advocated by all denominational leaders during recent years but also various other agencies are at hand for creating interest in, and supplementing, the Teacher Training Department of the local Church. We have reference to Educational Institutes and Summer Training Schools.

Institutes

It is not always easy for pastors and superintendents to create and maintain sufficient interest in the work of qualifying leaders for Church work. Hence, Educational Meetings or Institutes are held throughout various sections of the denomination where delegates from Churches within the district or Classis are in attendance. At these meetings specialists on various phases of religious education offer definite assistance to workers in local Churches and at the same time inspire those in attendance to solicit others who will qualify for leadership. These Institutes are sometimes held for only a one-day period, at other times they may follow a program covering several days or even the greater part of a week. Any Church that lacks adequate leadership cannot afford to fail to send delegates to such Institutes or Educational gatherings whereby the Educational *morale* of the local Church is largely sustained.

Summer Training Schools

Undoubtedly the best form of training that is offered to talented young people is provided by the Ten-day Training Schools which are being maintained by denominational and interdenominational Boards of Education. Such a training school was held last

summer at Cedar Crest College, Allentown, by our denomination. A similar school was held at Bucknell University by Reformed Church leaders in the vicinity of this latter institution. Several other summer schools are being contemplated for the purpose of accommodating the other sections of our Church.

It is not sufficient to have merely an intelligent and consecrated ministry to direct the activities of the local Church. A trained ministry is essential for effective work in the Church at all times. Nevertheless, all the workers in the various departments of a modern Church must, likewise, be leaders of vision, ability and resourcefulness. It is for the purpose of training leaders in the Sunday School, Young People's Organizations, Missionary Societies, the Winter Religious Day School, the Daily Vacation Bible School and the development of workers generally in the local Church that these Summer Schools and Institutes are being sponsored by the Boards and Institutions of the Reformed Church engaged in religious education. Credit will be given toward a regular teacher-training diploma to those attending a ten-day Summer School; to those attending one summer, one year's credit will be given; to those attending three summer terms, the regular teacher-training diploma will be granted.

It will pay a Church or Sunday School a hundred-fold to send a few delegates to such a Training School every

Summer. Why not begin this year by adopting such a Training Program for your Church?

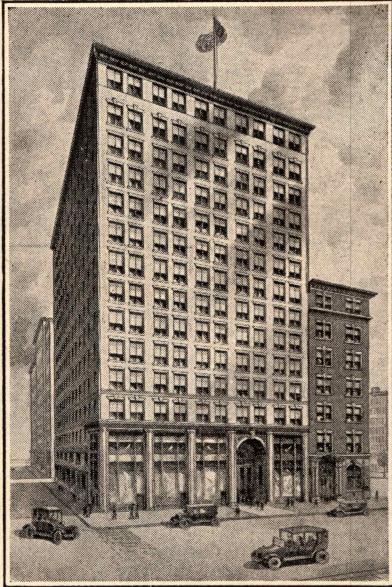

THE SCHAFF BUILDING

October 24-30, 1923, the dedicatory services in connection with the Schaff Building, Philadelphia, were held.

The former Reformed Church building (7-story building) has been made a part of the new 13-story office building. The Publication and Sunday School Board occupies part of the basement where there are also located for the use of the whole Church two large vaults. The Shipping Department of the Board is on Hicks Street. The auditorium is on the first floor and has a seating capacity of 600. It is a beautiful memorial to the work which the Reformed Church has helped to render through the services of Dr. Philip Schaff for Christian Education, for the best translation of the Bible into English, and in Christian Unity and cooperation.

On the second floor the space is occupied by the Church and Sunday School Book Room, *The Messenger* and the Accounting Department of the Publication and Sunday School Board.

The offices of the Board of Foreign Missions, Board of Ministerial Relief and United Missionary and

Stewardship Committee and Stated Clerk of General Synod are on the third floor.

On the fourth floor, the offices of the Educational and Young People's Department of the Publication and Sunday School Board and the executive offices of the Secretary and the Women's Missionary Society of General Synod.

The entire Race St. front on the fifth floor is occupied by the Board of Home Missions.

The Forward Movement Commission has its office on the seventh floor of the former Reformed Church Building.

There are committee rooms on the first, third and fourth floors. It will be a matter of rejoicing to all in the Reformed Church to know that the Schaff Building is more than paying for itself. It provides office space for simply the cost of light, heat and janitor service for the Boards of the Church, thus saving thousands of dollars annually to the denomination and the income from outside tenants is sufficient to pay all operating and overhead expenses and provide a surplus to apply toward the mortgage indebtedness.

The Schaff Building houses a number of Interchurch agencies such as the Philadelphia Federation of Churches, Pennsylvania Anti-Saloon League, Board of Foreign Missions and Board of Ministerial Relief of United Presbyterian Church, Presbyterian Magazine of the Northern Presbyterian Church, etc.

THE YOUNG PEOPLE'S DEPARTMENT

During the last year the direction of the Young People's Work of the Sunday School has been transferred to the Young People's Department, which before this was primarily responsible for Young People's Societies. At this time, therefore, all the Young People's Work of the Church, with the exception of the Girls' Missionary Guilds, is under the direction of this department.

The past year has been especially noteworthy because of rapid developments in the correlation of Young People's Work both in overhead organizations and in the local church. It is clearly recognized that we must think, not only of the small group in one particular organization, but of all the young people of the local church. We must first study the needs of the young people, then plan to have *all* the organizations *work together* in meeting those needs. The setting up of the Young People's Division of the local church, into which all the organizations are fitted—without losing their identity—and which is directed by a Young People's

Division Council representing each organization, very practically solves the problem. There are various plans of correlation, suited for different local conditions, and the Young People's Department is always glad to confer with the pastor about this very vital problem.

Close cooperation between the Young People's Departments of the different denominations is made possible by the Interdenominational Young People's Council, of which our Young People's Department Secretary is a member, and by the Young People's Work Section of the International Sunday School Council of Religious Education, in which our Secretary serves upon the Executive Committee.

There has been, during the past year, a rapid growth in the number of Young People's Societies, Organized Classes and Organized Young People's Departments in the local schools. In many of our larger centers Young People's Leagues or Associations are made up of all the young people of the Reformed Churches. These leagues are not for the purpose of setting up a

new denominational organization, like the Luther League, for instance, but are simply to promote fellowship between the young people of the different churches and to make possible the carrying out of tasks too large for a single church group.

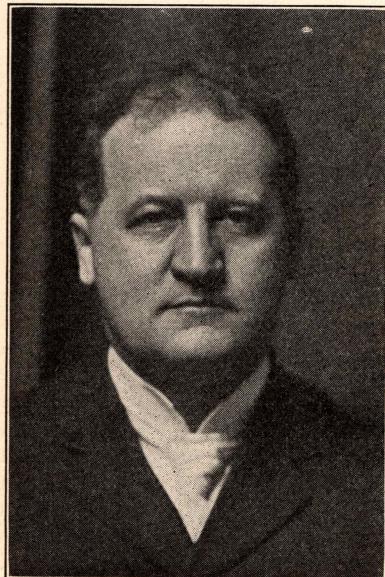

For example: the Heidelberg League of Indiana, one of the older leagues, has done excellent work in connection with the Missionary Conference at Bethany Park; the Young People's Division of East Susquehanna Classis holds its own Leadership Training Institutes, bringing special training in Young People's Work directly to its young people. Other notably successful groups of this kind are in Akron, Baltimore and Philadelphia.

The Young People's Department in addition to extensive field work, which has included many local church conferences and special meetings, has been giving particular emphasis to Leadership Training Institutes, which have been held in various central locations for several evenings, usually at the close of a week so that an all-day program is possible on Sunday. Such definite, intensive instruction is proving very helpful. One hundred sixty-five delegates, representing the five Reformed Churches of Louisville, Kentucky, and the church of Jefferson, Indiana, attended the first Young People's Institute held in Louisville. The results of this Institute were so notable that plans are under way to make it an annual event.

The institute programs are carefully planned and the leaders chosen for their fine Christian personality as well as for their knowledge of Young People's Work. Any community interested in the possibility of holding an institute should get in touch with the Young People's Department.

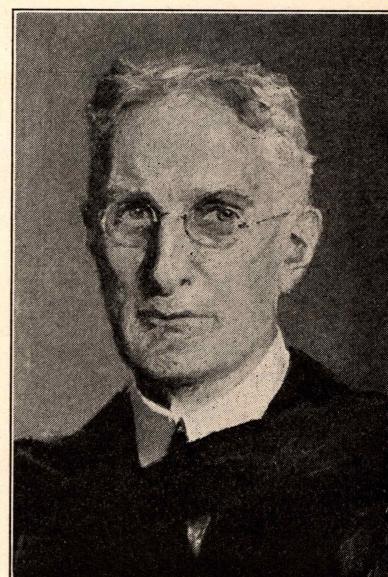

The publication of helpful material for all phases of Young People's Work, of special services and pageants, continues to be a feature of the work of the department. "The Promise," a dramatic episode prepared for Young People's Day in 1922, continues to be called for by all denominations. It has been presented at hundreds of local churches, conferences and conventions. The 1923 service seems to have an even larger field.

Probably the most attractive publication has been the new book, "Joy from Japan," a volume of recreation programs arranged by the Secretary. The book contains jolly, original arrangements of typically Japanese material, so that every social event of the church year from the Sunday School picnic to the Mother and Daughter Banquet can be a delightful way of getting acquainted with Japan. The book includes detailed suggestions for decorations, refreshments, Japanese games and even a collection of fascinating Japanese stories which can be used in the programs. It is illustrated by six Japanese posters, designed by Bruce Edward Howden, and a poster packet, containing the six posters in full size, makes it possible for the local

church to advertise not only its Japanese parties, but its mission study classes and other missionary meetings.

The celebration of Young People's Day has come to be an annual event, anticipated with eagerness by the whole congregation. The young people are glad to have an opportunity to report what they have been

doing and to demonstrate their ability to conduct a worth-while devotional service, and the older folk are reassured against their fears for the future of the church when they see the consecration and enthusiasm with which the leaders of the future are going forward.

BOARD OF MINISTERIAL RELIEF

REV. W. H. WOTRING,
PH.D., D.D., NEWLY-
ELECTED PRESIDENT,
BOARD OF MINISTER-
IAL RELIEF

We begin this year with one hundred and forty-two aged and disabled ministers and widows under our care.

Last year we paid over \$33,000 to 137 ministers and widows. This year we will need a larger amount.

We urge upon you the great importance of raising the fifteen cents per member apportioned for this purpose. It is the first claim on the benevolence of our Church. Ministerial relief is not charity. It is paying the Minister or his widow what they *earned but did not receive while serving the Church*.

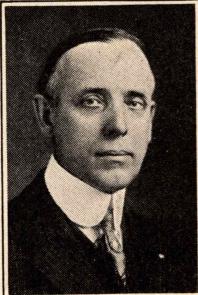

The sustentation department has now enrolled seventy per cent of our ministers. The Forward Movement is helping us in securing the \$1,000,000 needed to endow this department. We urge every minister and member of our Church to keep right on supporting the Forward Movement until its great work has been completed.

THE REFORMED CHURCH FAMILY

From its beginning the Reformed Church has emphasized the fundamental importance of the Christian home—for it is the home that may properly be called the first Church and the first school for the childhood of the world. *What sort of a home are you providing for your children?* If we had more fathers and mothers who prayed for and with their children, we would have more active and better-attended Churches, more law enforcement and less crime, and far happier households. The family altar, broken down and neglected in so many homes, must be restored; parents must recognize their solemn responsibility before God, and then we shall have more boys and girls who will gladly give life service to the Kingdom tasks which are challenging red-blooded men and women all over the world.

THE SUMMER MISSIONARY CONFERENCES

Leadership is the crying need of today, both in the world at large and in the Church. Some are "born leaders," but most leaders are made. Missionary leaders are made by missionary training. Efficiency in the Christian life is, for the most part, a matter of training. There must be created in the Church "a system of leadership training which will draw into the service of the Church of each generation an army of its most capable young men and women and train them for professional and voluntary service." For the production of missionary leadership, efficiency and usefulness, the Summer Missionary Conferences are held.

There are three immediate purposes for which these Summer Conferences are planned. They are: 1. To train missionary leaders who are in any way responsible for the missionary education program of their individual Churches. 2. To discover those with capacity for leadership and to develop such especially qualified persons for the highest type of missionary leadership by

a course of instruction in the missionary knowledge of the modern world and in the principles and methods of missionary education. 3. To provide a means of instruction and inspiration for those who desire to gain an adequate knowledge of missions to guide them in their Christian service and deepen their life purposes.

Under the auspices of the Department of Missionary Education, Rev. A. V. Casselman, D.D., Educational Secretary, eight conferences are held every year during the months of July and August at the following places: Hood College, Frederick, Md.; Bethany Park, Indianapolis, Ind.; Catawba College, Newton, N. C.; Kiskiminetas Academy, Saltsburg, Pa.; Heidelberg University, Tiffin, O.; Theological Seminary, Lancaster, Pa.; Ursinus College, Collegeville, Pa.; Mission House, Plymouth, Wis. These Conferences have been increasing in the number in attendance and the thoroughness of the work accomplished. Many missionary leaders of the Church received their initial inspiration

LANCASTER MISSIONARY CONFERENCE AT DINNER IN THE THEOLOGICAL SEMINARY REFECTIONY

for special service at these Summer Conferences. Leadership does not come from study alone. It comes through fellowship, discussion, the mingling of personalities, and the comparing of plans and ideas. All of these are found in the Summer Conferences. At one of the Summer Conferences this year it was reported that two missionaries and three students for the ministry had made their life-work decision at that particular conference two years ago.

That most distinguished missionary leader, Dr. Robert E. Speer, bears this testimony to the efficiency

of the Summer Missionary Conferences: "Thousands of young people scattered through our churches at home have found in the Summer Conferences the most enriching experience of their lives. Their attendance at some one or more of these Conferences has brought them new friendships, a wider understanding of the world, a clearer insight into the Gospel and a closer fellowship with Christ. Hundreds of these young people have found their way into Christian service at home or into the missionary work abroad as a result of the influence of these gatherings."

HUGUENOT-WALLOON NEW NETHERLAND TERCENTENARY, 1624-1924

The story of the Pilgrim Fathers, who began the settlement of New England in 1620, is well known. But the story of the Walloons, who in 1624 began the settlement of the Middle States, is scarcely known. The latter were Reformed refugees from the north of France and from the present Belgium, who, like the Pilgrim Fathers, had found a haven of refuge in Holland, and who too looked to America as a place where they might live in peace and worship God according to the dictates of conscience.

On July 21, 1621, Jesse de Forest, their leader, sent a petition, which is still extant, to the British ambassador at the Hague, asking "whether it would please His Majesty to permit fifty or sixty families, as well Walloon as French, all of the Reformed religion, to go and settle in Virginia." The conditions for settlement which the English imposed upon them were not agreeable, and he immediately carried the petition to the "States of Holland and West Friesland," who authorized the enrollment of the colony. In the spring of 1624 the Dutch West India Company sent skipper May with a colony consisting of thirty families, mostly of Walloons, to make settlement in the Hudson River country. They sailed in the ship *New Netherland*, and reached their destination in the beginning of May. The colony was accompanied by a Church officer who conducted singing and prayer services on board ship. Upon their arrival at Manhattan, the colony divided, "some settling on the Connecticut River, some on the Delaware, several remaining on Manhattan," but the greater number sailed up the river to where Albany is now located, where they erected a fort and named it Fort Orange, in honor of William of Orange, the deliverer of the Netherlands. It was here that the comforter of the sick, Sebastian Jansen Croll, conducted religious services daily.

The settling of the Walloons in America was not only the fulfillment of their fondest hopes. It also

marks a new epoch in the history of both Church and State. It was one of those obscure events which occasionally change the course of history. Their coming secured the North American Continent for Protestantism. The first colony was followed by many Dutch and Huguenot settlers, all of whom were of the Reformed faith.

In 1626, Peter Minuit purchased Manhattan Island from the Indians, concentrated the colony on it, and erected a fort for its protection. It was called Fort Amsterdam. Inside the fort stood a mill in whose loft the settlers met for worship. On April 10, 1628, Domine Michaelius, having organized the colony into a congregation, with General Minuit and Comforter of the Sick Huyger, elders, and Croll, deacon, celebrated the Lord's Supper, at which time about fifty persons, Walloons and Dutch, communed. This was the first Protestant communion service celebrated in New Netherland, now the Middle States.

The Federal Council of the Churches of Christ in America has instituted the Huguenot-Walloon New Netherland Tercentenary Commission fittingly to commemorate the 300th anniversary of the founding of New Netherland, and the Federal Government has authorized the issuing of 300,000 memorial half dollars in recognition of the importance of the celebration. Sunday, April 24, 1924, has been designated as Huguenot-Walloon Memorial Sunday, to be observed by the various Protestant Churches of America. Celebrations will be held during the months of May and June, 1924, in the leading Dutch and Huguenot centers. During July and August a commemorative tour to the Chief Reformed Centers in Europe has been arranged. It will follow immediately the World's Sunday School Convention at Glasgow, Scotland. OUR ORPHANS' HOMES

BETHANY ORPHANS' HOME

Womelsdorf, Pa.

Rev. W. F. More,
D.D.,

Superintendent

In the beginning, Bethany was called "The Orphans' Home of the Shepherd of the Lambs." The picture shows a present scene at Bethany illustrating that part of the original Orphans' Home idea which is still held in honor as a goal of constant endeavor. A little flock feeding contentedly in a green pasture beside the still

waters of the Bethany Spring, under the shadow of the trees with the shepherds near to lead and protect them and none to molest them or make them afraid. So we are trying to keep the Bethany children. We count on your continued help.

HOFFMAN ORPHANAGE

Littlestown, Pa.

Rev. Andrew H. Smith, Supt.

That boys be taught all manner of farm work, and girls all manner of house work was the desire of Mr. Hoffman, the donor of this estate. The accompanying picture shows you the seven girls whom we have developed to the point when we depend on them each to take their turn as cook one week in seven. For five years out of the last six and a half years we have had no hired cook. These home-trained cooks have younger assistants. Under the direction of Mrs. Smith these girls prepare and serve the meals on schedule time thrice daily. They make all our butter, handling the milk

and cream after the older boys have brought it over from the sanitary cow-barn and have separated it, except what is used in cooking and on the table. They bake our pies, cakes and bread. Bread? Yes they bake all our bread, good wholesome bread that costs us less than half what we paid the baker at wholesale prices.

When not on duty as cooks, these girls are shifted each week to dining room, sewing room, bed room and such other places where they have an opportunity to

learn to do other things. Of course they go to school and during the school term have a study period from 7-8 P.M. They are good singers and some of them play the piano. Several have the desire to become trained nurses with the avowed purpose of going to China to assist in our Mission Hospitals. They are well developed physically and on an average mentally. Three of them are doing High School work and all of them are communicant members of our recently organized Church of the Good Shepherd.

"THE BACK YARD"

ST. PAUL'S

ST. PAUL'S ORPHANS' HOME

Greenville, Pa.

Rev. A. M. Keifer, Supt.

After many years of experience the Reformed Church in the United States has very definitely concluded that it pays to maintain Orphans' Homes. This is evidenced by the growing interest in this work. Each year the number of contributors to the orphans' cause increases, and for a number of years it has been a well-established custom in the Reformed Church to make an offering during the Christmas season to support the orphans in the several homes. All the Churches in Pittsburgh Synod, some in the Ohio Synod, and a few in the Western Classes give their offerings to St. Paul's. The work is dependent almost entirely upon these offerings. If they are neglected or diverted the work is seriously crippled. For the sake of the one hundred or more children at St. Paul's may I ask for a generous Christmas offering.

FORT WAYNE ORPHANS' HOME

FORT WAYNE, IND.

Rev. John F. Winter, Superintendent

During the past year 116 children were cared for, 6 who reached the age of 18 were dismissed, 6 were taken out by their people, and 104 remain. Five children graduated from the 8th grade, receiving diplomas from the County school authorities. On Whitsunday, 22 were confirmed. The work of the year was disturbed by the visitation of a malignant form of typhoid fever, from which 41 children and 4 employees suffered. Two promising girls and the faithful cook of the Home were claimed by death. The unceasing prayers of God's people were of great help in time of trouble. The extra expense of \$4,000 was taken care of by the increased Christmas offerings. The contract for the erection of the Baby Cottage, together with the new water system, means an outlay of \$40,000. The gift of a moving picture machine has

CONFIRMATION CLASS, 1923, FORT WAYNE

proved a great help to the Home. As before, the greatest need is that of securing sufficient consecrated helpers in carrying on this sacred work.

NAZARETH ORPHANS' HOME

CRESCENT, N. C.

Rev. W. H. McNairy, Superintendent

A year of hopeful progress can be reported. A larger interest on the part of members and friends of the Reformed Church outside of North Carolina Classis has been manifested. It has been a good financial year. Probably 7,000 people assembled on the first Thursday in August at the Anniversary, when the children of the Home rendered a delightful program. The unveiling of a monument to Rev. J. M. L. Lyerly, D.D., who was largely responsible for establishing the Home, was a feature. The "Concert Class" of Nazareth Home has been greeted during the summer by large audiences in most of the Churches of the Classis and their program reflects much credit on the Home and its work. Those in charge have deepened faith in the willingness of God's people to provide both the expense of maintenance and the larger equipment necessary for the development of Nazareth Home.

LOVING THE ORPHAN CHILDREN

Surely every year we need a solemn warning against the peril of taking for granted our greatest blessings, accepting as a matter of course the heroic and self-sacrificing services of those who have devoted their lives to the most difficult and important tasks of the Church, and failing to show our personal appreciation for the services so nobly rendered. It is easy to join in applause due to those who have built these Homes out of their own life-blood; but sometimes we exhibit a shameful unwillingness to help them "carry on." Our greatest lack has been the failure to provide promptly the necessary workers, and faithful Superintendents have at times been asked to do the work of four or five men, and to exact overtime from their too small staff of assistants, because the Church did not heed their calls for surrendered lives willing to assist in the task of ministering to orphan children. Let pastors and Sunday School leaders emphasize the challenges of these Homes for life service. They are places where beautiful lives may be lived, in doing tasks which to some superficial minds may appear menial, but which in the sight of God are wonderful in their chance for usefulness.

PHOEBE DEACONESS AND OLD FOLKS HOME

ALLENTOWN, PA.

Rev. F. H. Moyer, Supt.

This institution was founded twenty years ago by East Pennsylvania, Lehigh, and Tohickon Classes. Its charter states its aim to be to prepare Christian women for the office and work of deaconesses, and to engage in such other forms of charitable work as may from time to time commend itself to the institution. Soon the Old Folks' Department was established. This has prospered. At present there are housing facilities to care for thirty aged people.

The Home is located on a three-acre plot of ground in the western part of the city of Allentown. The Old Folks' Building is a large three-story stone structure. The Deaconess Building is a three-story brick residence. Besides these there is a greenhouse and gardener's residence. The average age of the aged family is a little over eighty years.

The buildings are well adapted for the uses to which they are put; they afford shelter and comfort; filial regard for the aged, sympathy, tender care, and a

Christian atmosphere make the home. Deaconesses are in charge of the care of the aged.

The annual cost of maintenance is \$12,000. The work is supported by voluntary charity. Besides the supporting Classes there are two strong supporting organizations.

The Corporation is composed of persons who have organized themselves to support this work. The membership fee is \$10, and the annual contribution is \$5. Membership in this body may also be taken by paying \$150, without annual contributions. Such amounts are placed into the Endowment Fund.

Another organization which has given unfailing support is the Ladies' Auxiliary. The Parent Auxiliary is composed of members of all the Allentown churches. The Auxiliary Chapters are organizations in other congregations. Each member makes an annual contribution of \$1. Representatives of this body meet monthly at the Home, keep in close touch with its needs and do much sewing and other work called for. Many who are acquainted with the work have made liberal contributions and bequests. The Home can not now meet all the demands made upon it. As the support grows the work will be enlarged.

This demand is increasing. Located in the heart of Philadelphia near the Headquarters of the Reformed Church. Officially endorsed by the General Synod. A faculty of experts. Two year course, soon to be three. Aid for worthy students. No one turned away for lack of money.

Are you through school? Are you satisfied with business or teaching? Are you idle in the home? Your God and Church need you.

Courses in all modern departments of church work. The Bible chief. In this great city all the best methods of Church, Sunday School, Charity and Settlement work are to be seen in practical operation. Fifteen years of constantly expanding service. Graduates at work over our whole country and foreign lands. Write for catalogue and information. Doors are wide open.

Send us gifts to maintain the work. No better investment than in such young lives.

RELIGION THE HOPE OF THE NATION

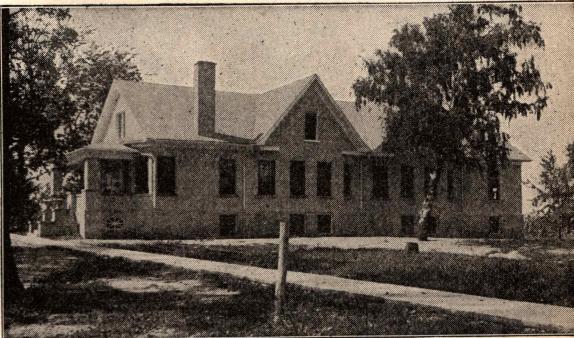

Writing to the newly consecrated Protestant Episcopal Bishop of Washington, Dr. James E. Freeman, President Calvin Coolidge said: "Your work represents the foundation of all progress, all government and all civilization. That foundation is religion. Our country is not lacking in material resources; and though we need more education, it cannot be said to be lacking in intelligence. But certainly it has been in need of a greater practical application of the truths of religion. It is only in that direction that there is hope of solution of our economic and social problems. Whatever inspires and strengthens the religious belief and religious activity of the people, whatever ministers to their spiritual life, is of supreme importance. Without it, all other efforts fail; with it, there lies the only hope of success. *The strength of our country is the strength of its religious convictions.* To you and all those associated with you throughout our land, in ministering to religion, I extend my appreciation of your toil and sacrifices, and my faith in your ultimate success."

THE HOME FOR THE AGED, UPPER SANDUSKY, OHIO

H. H. SHIRER, SUPERINTENDENT

The accompanying picture shows the first Cottage erected at the Home which is under the management of a Board of Trustees elected by Ohio, Central, Mid-West and Northwest Synods. Additional cottages will be erected as rapidly as receipts will permit. The infirmities of old age urge the early erection of a building with modern hospital facilities.

Readers of the Year Book are urged to investigate the Annuity Loan plan which assures an income during the life of the donor.

FOOD FOR MIND AND HEART

In every good Reformed Church home intellectual and spiritual food will be provided as well as food for the body. It is a great service to humanity to rear a generation of young people who are interested in the things of God through the reading of religious literature. In every home in the denomination, therefore, there should be found copies of the Bible, the Hymnal, the Catechism, the *Almanac and Year Book*, the weekly Church paper, *The Outlook of Missions* and other publications of the denomination which will aid every member of the family to become acquainted with the work of the Church. The Church paper has proved itself a blessing in many thousands of homes, and those who have used it for years do not need to be convinced of its power for good.

The *Reformed Church Messenger*, which is the official organ of the Eastern, Pittsburgh and Potomac Synod's is our oldest Church paper, and is published by the Publication and Sunday School Board of General Synod. The *Christian World* is the official organ of

the Ohio Synod, and is published by the Central Publishing House. The *Messenger* is edited by Rev. Dr. Paul S. Leinbach, Editor-in-Chief, the Rev. A. S. Bromer, Associate Editor, and the Rev. Dr. C. J. Musser, Editor Emeritus. The *Christian World* is edited by the Rev. Dr. H. S. Gekeler. One or both of these papers should be welcomed in every home of the Church. The *Kirchenzeitung* is our German paper and is edited by Rev. Carl F. Heyl.

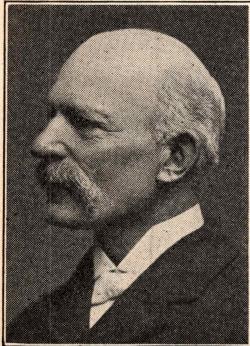

Our Board also shares in the publication of *The Church School*, the monthly journal of religious education for all Sunday School and Young People's workers. Our theological journal, *The Reformed Church Review*, deserves the cooperation of all ministers and intelligent laymen. It is edited by the Rev. Profs. T. F. Herman, George W. Richards, A. S. Zerbe and A. E. Dahlmann, representing all our theological seminaries. (The *Messenger*, weekly, is \$2.50 per year; the *World*, weekly, \$2.25; the *Church School*, monthly, \$1.25; the *Review*, quarterly, \$2; the *Outlook of Missions*, monthly, \$1.00.) Thus, at a small expense, you can bring all these means of blessing into your homes.

THE SCHOOLS OF OUR CHURCH

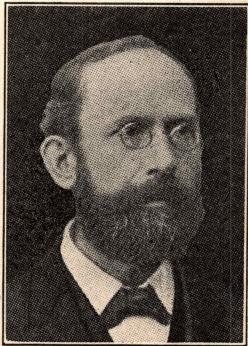

The Reformed Church is justly proud of its theological seminaries, colleges and academies. We believe they deserve the support of our Reformed Church people, with ever-increasing generosity. Year after year the consecrated men and women in the faculties of these institutions are rendering a service whose value cannot be measured, and assuredly our people should remember the work of Christian education in their prayers and gifts. If we want our Church to flourish, these institutions of learning must be kept vigorous and must be given an equipment which will enable them to maintain the best modern standards in the educational world. In 1923, we have been permitted to celebrate the 30th anniversary of Dr. William Mann Irvine as Headmaster of Mercersburg Academy, and of Dr. Joseph Henry Apple as the first and only President of Hood College. These two men entered upon a great adventure in the field of Christian education in

the year 1893, taking hold of unusually difficult tasks with noble ideals and unfaltering courage. Their achievements speak for themselves, and their anniversary celebration constituted an event which any fellowship in the world might well consider notable. Of unusual interest, also, was the recognition of the fine service of Prof. George F. Mull, Litt.D., who has entered upon the 40th year of his unselfish labors in Franklin and Marshall College, and whose birthday on October 7 was marked by a great ovation from his present and former students. Practically all of our institutions are engaged in a program of enlargement, or are contemplating an increased equipment in the near future. Catawba College has been so fortunate as to secure a magnificent new building and a campus of 44 acres, at Salisbury, N. C., for the small sum of \$44,000, and is now engaged in raising an endowment of \$400,000 to guarantee its permanence as a Grade A College. For the sake of our work in the Southland, we sincerely hope for the speedy success of this project.

For 16 years he was a teacher in the rural schools, but early felt the call to the Christian ministry, and pursued his studies in Tiffin, O. In June, 1861, he was married to Miss A. V. Bergstrasser, and they lived together through joys and sorrows for 61 years. They had one son and two daughters. Mr. Heffley was in the pastorate at Canal Winchester, O., for 63 years. ministry, he served Charges at Landisburg, Marion, New Oxford, Pottsville and Nanticoke, Pa. He was married January 19, 1875, to Miss Lizzie Rakerd, of Lewistown, Pa. Of their four children, two sons, William J. and Earle R., survive. Mrs. Herbert died November 7, 1910, and Rev. Mr. Herbert was later married to Mrs. Dena Mutchler (daughter of the late Rev. Dr. R. Funeral services were held at his late home, 1030 Tilghman St., Allentown, Pa. Interment was made in Greenwood Cemetery.

KUERTEN, REV. JOHN, born in Germany, died Dec. 31, 1922, with funeral and interment Jan. 3, 1923. He served as a teacher in various parts of Germany, and came to America to serve in a congregational school in Detroit. The congregation at Haskins, O., invited him to become its pastor, and he was ordained to the holy ministry and accepted the call, serving the Church for 4 years, when he retired from the active ministry and has since lived in the neighborhood of Haskins and in Tontogany, O. In 1872 he was married to Emma Weier, who, together with 2 sons and one daughter, survive.

LYERLY, REV. J. M. LUTHER, D.D., died March 17, 1923, at his home in Winston-Salem, N. C. He was born in 1862 during the days of the Civil War and his father was killed in that struggle, his mother being left with two small boys and a little farm. He knew what hard work was and was willing to work for an education. He was one of the first to graduate from Catawba Academy and College in 1889. He was licensed and ordained in that year by N. C. Classis, and served Charges in Rowan, Lincoln, Davidson and Guilford Counties of that State. His longest pastorate was in Central Rowan, almost 20 years. He organized Bethany Church, Crescent, which has given three ministers to the Church. In 1889, he was married to Miss Jennie Peeler. They had 11 children, one of whom, Rev. J. M. Lyerly, is a pastor in the North West Synod. Dr. Lyerly established Crescent Academy, which accomplished much for the poor boys of his community. Over a score of young men in the ministry received their training, in part, at this Academy. Nazareth Orphans' Home also owes much to Dr. Lyerly. He was president of the Board of Managers from the beginning. Many tributes were paid to the memory of this splendid Christian gentleman in Bethany Church, Crescent, on March 20; and the body was laid to rest in the cemetery near that Church, within sight of his old home and of the Academy and Orphanage for which he did so much.

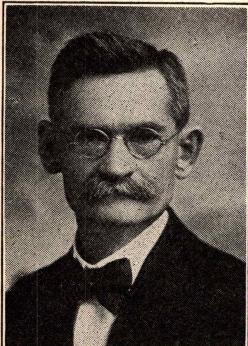

ROTHROCK, REV. JACOB J., was born in Bethlehem, Pa., August 29, 1857, and died in Lansdale, Pa., January 7, 1923, in his 66th year. While quite young his parents removed to Lancaster, Pa., where he received his education at Franklin and Marshall Academy and College and the Theological Seminary, graduating from the Seminary in 1882. On October 18, 1882, he was married to Miss Pattie Mae Fahnestock, of Lancaster, who survives him. He was ordained to the ministry in August, 1882, and served the Charge at Freeland, Pa., until May 1, 1885, when he came to St. John's Church, Lansdale, remaining as pastor until October 16, 1922, when ill health caused him to submit his resignation, and he was made pastor-emeritus. During his service of almost thirty-eight years the congregation grew from a membership of 54 to over 600. A larger Church was built and a modern parsonage

erected. His genial personality, his keen sense of humor, and his ideal home life endeared him to hundreds. For many years he served as treasurer of Tohickon Classis and was always active and faithful in the affairs of his community. The funeral services were conducted on January 10 and interment was made in Altonah Cemetery, near Bethlehem, Pa.

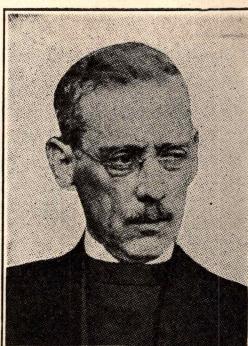

ROYER, REV. GEORGE WILLIAM, was born in Cherryville, Pa., October 25, 1868, the son of Thomas and Sarah Ann (Kuntz) Royer. He graduated from Ursinus College in 1894 and from the Seminary in 1897. He was licensed and ordained the same year by East Pennsylvania Classis. He served Brownback's Charge, from January, 1898, to June, 1901; the Ringtown, Pa., Charge, from July, 1901, to March, 1906; the Towamensing Charge, from June 10, 1906, to February 18, 1923, eleven days before his death, when his rapidly failing health caused him to bring his pastorate to a close. Rev. Mr. Royer was an enthusiastic worker in the Schuylkill and Carbon County Sunday School Association, and devoted much time to the young people. He faithfully preached and lived the doctrine. In 1895, he was united in marriage with Miss Laura M. Master, of Mertztown, Pa., who survives, together with 4 daughters and 5 grandchildren. After suffering for a number of years from diabetes, he peacefully passed away on March 1, 1923, aged 54 years, 4 months and 6 days. Funeral service was held at his home in Palmerton, Pa., and in the Towamensing Church, with many ministers in attendance, representing various denominations. Interment was made in the adjacent cemetery.

SMITH, REV. CHARLES MARTIN, was born at Nazareth, Pa., April 1, 1867, son of the late Rev. Martin Albert Smith, and Mary Jane, nee Meyer. He died at Edinburg, Va., March 14, 1923. Rev. Mr. Smith was educated in the Nazareth Schools, Palatinate College, and graduated from Franklin and Marshall College in 1891, and the Theological Seminary, Lancaster, in 1894. He served the Nittany Valley Charge at Hublersburg, Pa., for 2 years; the McConnellsburg Charge for 10 years; and the Burkittsville, Md., Charge for 8 years, during which time he organized the congregation at Brunswick, Md., and built a new church. In 1914, he was compelled to resign on account of nervous prostration, moving to Middletown, Md., where he lived for more than 8 years. After the death of Rev. M. L. Firor, in 1921, he became supply-pastor for 14 months, and his health had improved so much that he felt called upon to return to the active ministry. He accepted a call to Edinburg, Va., Charge, entering upon his duties on January 1, 1923, but a nervous relapse and an attack of heart trouble caused his death. On September 16, 1896, he was married to Miss Matilda Wilson, of Bellefonte, Pa., who survives him, together with one daughter. Funeral was held in the Edinburg Church, March 15, and in Middletown, Md., March 16. Interment was made in the Middletown Cemetery.

TREXLER, REV. PETER M., D.D., was born in Rowan County, N. C., May 18, 1844, and died May 7, 1923, aged 78 years, 11 months and 19 days. He was educated in the public schools of this community and the high school at Newton, N. C., which was chartered in 1851 as Catawba College. Because of the great need of ministers and his clear call to this service, he was prevailed upon to seek licensure before he had finished his college studies. He was licensed June 2, 1871, and ordained as pastor of the Central Rowan Charge. He soon organized St.

He entered the service of the Confederacy in 1862, continuing until the close of the war. The fields served by Dr. Trexler were as follows: Central Rowan, West Rowan, Concord and Lower Davidson. He also served as principal of China Grove High School, professor and financial agent for Catawba College and teacher in Crescent Academy. In 1880, after being ordained for nine years, he decided to finish his education and graduated with credit at Franklin and Marshall College. He then entered the Theological Seminary, graduating in 1885. He was regarded as a strong preacher and a diligent student of the Word. Funeral service was conducted

from his residence, near Rockwell, N. C., on May 9, and at Mt Zion Church, China Grove, with interment in Green Lawn Cemetery, near the Church.

WILLIARD, REV. EDWIN R., D.D., son of the sainted Dr. George W. and Louise C. Williard, was born at Columbus, Ohio, December 25, 1852, and died in Akron, Ohio, January 11, 1923. After attending the public schools in Dayton and Tiffin, he graduated from Heidelberg University in 1872, and from Heidelberg Theological Seminary in 1874. He was licensed May 8, 1874, and on May 10 was ordained and installed as pastor of the Peace Charge, White Pigeon, Michigan. On April 4, 1877, he married Miss Ella M. Putnam, who died September 11, 1915. Their union was blessed with one daughter, Mrs. Harry J. Rohrbaugh. He organized congregation at Goshen, Indiana, and another at Florence, Michigan. After nine years of strenuous activity in this field, he accepted a call to Germantown, Ohio, where he remodelled the Church edifice and built up the congregation. In 1885, he took charge of the mission at Springfield, Ohio, but soon returned to Germantown, for another pastorate. In 1887, he accepted a professorship in Heidelberg University and assisted his father, then president of the institution, to cancel the indebtedness. In 1891, he accepted a call to Grace Church, Akron, Ohio, where he built a \$10,000 addition, and added 700 members during his pastorate of 9 years. In 1900, he went to Canal Fulton, Ohio, for two years. In 1902, he organized the Wooster Ave. Church, Akron, becoming its first pastor, and adding 354 members in 8 years. Because of lessened vitality, he assumed the less arduous work in Goss Memorial Church, Kenmore, for a few months. He rendered great service as chairman of a Committee of Missions of Tuscarawas Classis, and was one of the most zealous members of General Synod's Board of Home Missions. He was a Sunday School enthusiast and was active on the Board of Central Seminary and the Board of Education of Ohio Synod. In 1918, he married Mrs. Mary L. Drum, who survives. Funeral service was conducted at the home of his daughter in Akron, Ohio, and at the Miller Ave. Church. Interment was made at White Pigeon, Mich., where a further service was conducted. Dr. Williard was a strong preacher, a mighty evangelist, an able teacher and a potent citizen.

In December, a Campaign for Funds was waged, when 40 teams, of eighty men, saw 800 people in three hours, and secured \$55,000. On August 5, 1923, the 42d anniversary of the congregation, the cornerstone of the new edifice was laid.

The renovations and additions to St. Mark's Church, Cressona, Pa., Rev. E. R. Corman, were dedicated and rededicated on September 24, 1922. The additions were a large and beautiful social room and a well-equipped kitchen. The Sunday School again conducted a very successful D. V. B. S., with an average attendance of 100. The pastor supervised the School.

The cornerstone of the First Church, Carlisle, Pa., Rev. Roy E. Leinbach, was laid on September 25, 1922. The main addresses were delivered by ex-pastors, Revs. Robert J. Pilgram and Elmer L. Coblenz.

Hope Church, Harbine, Nebr., Rev. H. E. Grieb, celebrated its 40th anniversary on October 15, 1922, and its pastor, who has served this Charge for over seven years, the 20th anniversary of his ordination. The Charge has about 45 families and 132 confirmed members.

The cornerstone of Bausman Memorial Church, Wyomissing, Pa., was laid on October 15, 1922, by the pastor, Rev. T. J. Hacker, D.D., assisted by the ministers of Reading. Rev. C. E. Creitz, D.D., delivered the address, and the two Commanderies of the Knights Templar participated.

First Church, Warren, Ohio, Rev. Harlan J. Miller, went to self-support October, 1922, and celebrated its first year of independence by redecorating the interior of the building. The congregation is growing rapidly.

The 25th anniversary of the cornerstone laying at St. Thomas Church, of the Bernville, Pa., Charge, Rev. Frank W. Ruth, was held in October, 1922, with all debts paid. In November, 1922, a two-manuel electric action pipe organ, costing \$4,100, was dedicated at Zion's Church, Strausstown. In April, 1923, the Charge paid off \$1,250 on the parsonage debt.

Grace Church, Eden, Pa., of the East Petersburg, Pa., Charge, Rev. Wm. S. Gerhard, celebrated the 5th anniversary of its dedication on November 5, 1922.

The debt is being steadily reduced. The playground in the rear of the church was opened on June 30. Mr. Ralph Adams, Rural Field Worker, was present.

Jerusalem congregation, of the Pleasant Valley Charge, East Pennsylvania Classis, Rev. F. W. Smith, purchased a new pipe organ, installed a lighting plant, put new carpet in the church, repaired and painted the edifice. Dedication took place on November 5, 1922. St. John's congregation installed a heating plant and purchased a piano.

On Sunday, November 12, 1922, the 30th anniversary of the pastorate of Rev. I. Calvin Fisher, D.D., in St. Mark's, Lebanon, Pa., was observed. In the evening a reunion of the Catechumens was held, when more than 700 were present. Rev. E. M. Sando, Hanover, Pa., whom the pastor confirmed, preached the sermon.

November 26, 1922, was a big day in Salem Church, Catasauqua, Pa., Rev. I. A. Raubenhold, which marked the close of the campaign to liquidate the debt of \$1,600 on the parsonage. Over \$2,000 was raised. The first and only Church Vacation School in Catasauqua was held in Salem Church, July 2-27, with 171 pupils and 9 instructors enrolled. The pastor closed his pastorate in Salem on September 9, to assume charge of Grace Church, York, Pa.

The 5th anniversary of Trinity Church, Coplay, Pa., Rev. Thomas H. Krick, was celebrated November 29-December 3, 1922. After making extensive alterations and installing a new pipe organ, St. John's Lutheran-Reformed Church, Mickleys, Pa., was dedicated on May 13, 1923, preceded by a week of interesting services.

The present pastorate of Rev. C. M. Mitzell in the Everett, Pa., Charge began on December 1, 1922. The biggest single event of the year was the reception of 56 members at Trinity, Everett, on Easter, and 4 at Bald Hill on Trinity Sunday. On July 1, the two churches were visited by Elder J. Z. Truxal, when both congregations expressed a willingness to subscribe the full quota on the Forward Movement.

Life Annuity Bonds

If you are living on your income and will in all likelihood never need to spend the principal, why not make a perfectly safe investment at a fair rate of interest by taking a Life Annuity Bond? You will receive the interest as long as you live and the Board will have the use of the money at once.

Write to the Secretary of the Board you are interested in. He will explain the plan to you.

Individual Communion Services

The use of the Individual Communion Cup is the modern approved method. The practice of large numbers of people partaking from a common cup at the Lord's Supper is rapidly being replaced by the more sanitary plan of providing a separate cup for each person, from which the communicant can drink without having uncomfortable thoughts, which were always more or less associated with the former single cup plan.

THEOLOGICAL SEMINARY

of the Reformed Church in the United States

Founded at Carlisle, March, 1825

LANCASTER, PA.

This School of Theology, the oldest educational institution of the Reformed Church, is conducted under the direction of three English Synods: The Eastern Synod, the Pittsburgh Synod and the Synod of the Potomac.

Its financial affairs are managed by a Board of Trustees, consisting of eighteen laymen. Instruction and discipline are subject to the authority of a Board of Visitors, consisting of twelve ministers. The Visitors and Trustees are chosen from the ministers and laymen of the three Synods.

The Course of Instruction embraces three years and includes all the branches of a complete education for the Christian ministry.

A fine Dormitory and Refectory were recently added to the equipment, in which room and board may be had at reasonable rates.

The Seminary year begins on the second Thursday of September.

ART GLASS WINDOWS

The Crowning Beauty of the Church

The whole aspect and interior of any religious edifice is largely contingent upon the character of its windows.

A SPLENDID TREATISE

has been prepared, giving not merely designs, but a comprehensive discussion of the Art from the remote past to the present day. It illustrates fragments of celebrated windows found in some of the old cathedrals of France and England, as well as modern Art Windows in which these designs, centuries old, have been used.

Those interested in beautiful churches should have a copy of "The Crowning Beauty of the Church." It is sent free. Merely mention this publication.

THE CHURCH SCHOOL HYMNAL

(This is how some feel about it.)

"I want to commend your splendid book. You surely have made your contribution to the field of Religious Music as we know it and understand it today. I spent more than three solid hours on it. Your suggestions on the service of worship in the back of the hymnal are great."

"After examining your new book from cover to cover, I would like to congratulate you on its marked excellence. The hymn selections are of high order; and the topical arrangement is very orderly and helpful. It is well indexed, and the 'Worship Section' is exceedingly fine. I bespeak for the book a lasting usefulness."

"I wish to express my gratification at the splendid way in which the book has been compiled, the high order of compositions, the rich proportion of the fine and stately old classics which we need to sing in these days more than ever, and the wide variety of contents with the careful classification made, which renders the book available for every occasion of worship. I sincerely hope that the book may have the popularity it deserves."

"The Church School Hymnal must be classified with the two that have been considered standard and in some respects this book has features peculiar to itself."

"I have placed The Church School Hymnal as one of the four best hymn books for the modern school, and recommend it as first of the four."

"The Church School Hymnal is a book which will doubtless have a large sale. Its appearance is very pleasing, while its good printing alone should make for better singing. The selection of hymns, both new and old, is splendid, and I particularly note those hymns on "Social Service" and "Missions," for such hymns will be in constant demand in schools using the coming International Uniform Lessons, which give an intensive study of missions. The orders of worship are both numerous and very carefully edited, and your treatment of special days is an unusual feature."

\$70 the hundred. Splendid orchestration, including alto and tenor saxophones. We send "on approval."

WORKERS WITH CHILDREN

are reporting that they are unable to find song books that better meet their needs than "Primary and Junior Hymnal" and "Beginners and Primary Songs." That is the reason that we are compelled to reprint edition after edition. Other books are born and die while these two live on and steadily increase in sales and satisfaction. The former sells at \$75 the hundred for cloth, \$50 the hundred for manilla. The latter at \$35 the hundred.

Little Cross and Crown System

Doubles Sunday School Attendance and Offerings

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' uninterrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3 pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

THE BIBLICAL SEMINARY IN NEW YORK

(Interdenominational)

Wilbert W. White, President

THE DEPARTMENT OF THEOLOGY

This Department was organized in 1907, and its standards have been progressively raised until in 1920 it received full academic recognition from the Regents of the University of the State of New York, placing the Department upon equal academic footing with the other theological seminaries of the state and the nation. College graduation or its equivalent is required for entrance.

No degree is granted for less than four years of theological work. The degree of S.T.B. (Bachelor of Sacred Theology) is equivalent to the B.D. degree offered by a few seminaries on the basis of a four-year course. For the advanced degrees of S.T.M. and S.T.D., one or two years respectively of graduate work must be completed in addition to the four-year course.

The three-year course, leading to graduation with diploma, but without degree, is open to students who have full college training or its equivalent. This course contains the essentials taught in any theological seminary, relating them after its own method to the central discipline which is direct and thorough mastery of the Bible in English.

THE DEPARTMENT OF RELIGIOUS EDUCATION

The three-year course in this Department is designed to train teachers of the Bible in schools and colleges, directors of religious education in church schools, and religious work secretaries in Christian Associations. For entrance to the three-year course, college preparation is required.

The two-year course is intended to train Bible teachers, Sunday School superintendents, pastors' assistants, lay workers, deaconesses, and church visitors. In its required courses it follows the subjects of the first two years of the three-year course.

THE DEPARTMENT OF MISSIONS

A two-year course is here offered with the missionary candidate's needs especially provided for in the foundation courses of Bible study and the correlated subjects recognized as essential for missionary preparation.

CHURCH FURNITURE

BEAUTY of design is of recognized importance in the building of a church, and while this is true of the exterior it is doubly true of the interior furnishings. The skilled craftsman can produce, even in the simplest furnishings, an atmosphere of true dignity and beauty.

We design, build and install the interior furniture of the church complete, and in harmony with the architectural treatment of the church edifice.
